TC RESEARCH PLATFORM

Getting Started Guide

Navigating the Key Features

Welcome to your new dashboard! Here, you'll find your existing portfolio transferred into a watchlist. Below is a quick overview of new features and where you can find them.

1. **Menu:** Easily find all your asset pages and educational material.
2. **Widget:** Each widget contains the most recent research on a specific asset class, sorted by exchange, region and timeframe.
3. **Product View:** To view the details on any asset, click on its title.
4. **Price Chart:** Hover here to view the most recent chart for this product.
5. **Watchlists:** Save products of interest, such as those in your portfolio in easy-to-access watchlists.
6. **Profile:** Customize your platform details such as timezone, language and style of alert.
7. **Quick Search:** Find research on your favourite product by entering the first three letters of the symbol or name.
8. **Back to Current Platform:** Not quite ready for the change? No problem! Here, you'll be returned to the legacy platform.
9. **Education:** Take control of your trading experience and learn from the best!

Getting Started Guide

Finding Detailed Research

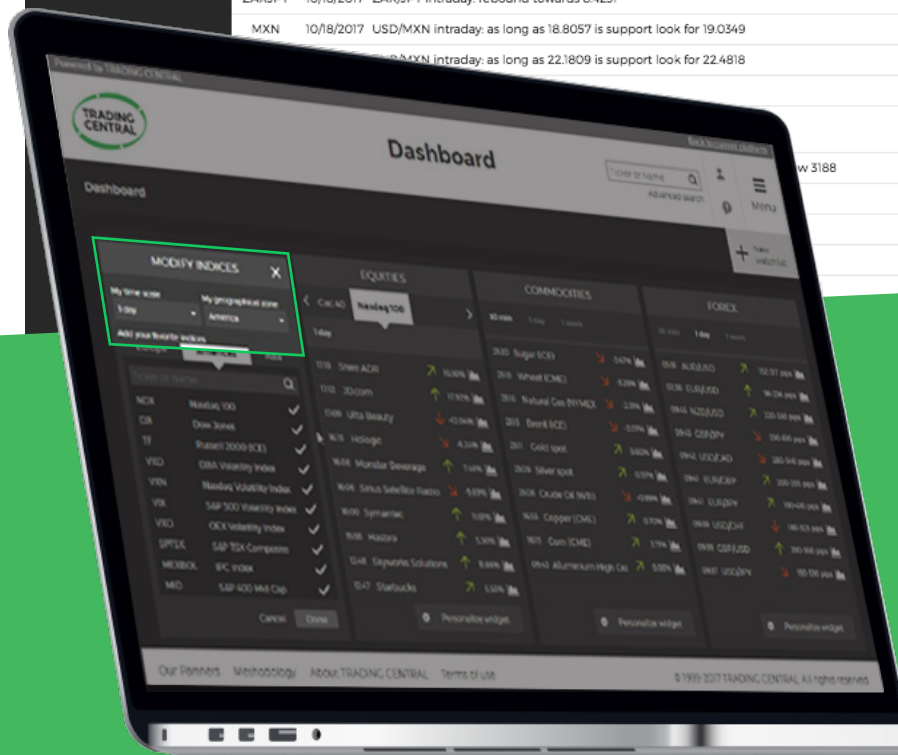

Detailed research on an asset can be accessed in three simple ways.

1. Click any widget header to view the detailed research on it's assets

The screenshot displays the Trading Central Research Platform interface. On the left, there is a sidebar with a 'FILTER' section and a 'FREE SEARCH' section. The main area shows a list of assets with their research details. The assets are listed in a table with columns for the asset name, date, description, and price. The assets include EURJPY, CHF, GBP, JPY, EUR, AUD, NZD, EURAUD, CHFJPY, CADJPY, EURCHF, EURGBP, TWD, KRW, EURCNH, CNHJPY, ZAR, ZARJPY, and MXN. The research details for each asset are provided in a separate column. On the right, there is a 'FUTURES AND INDICES' section with a list of assets and their research details. The assets include Dollar Index, Gold (CME), Silver (CME), Copper (CME), Crude Oil (WTI), S&P 500, STOXX 600, S&P-ASX 200, CSI 300 Index, and Hang Seng.

TC RESEARCH PLATFORM

Getting Started Guide

Create a Watchlist

Create up to five watchlists to keep your eye on products of interest. This is where any pre-existing portfolios will be found.

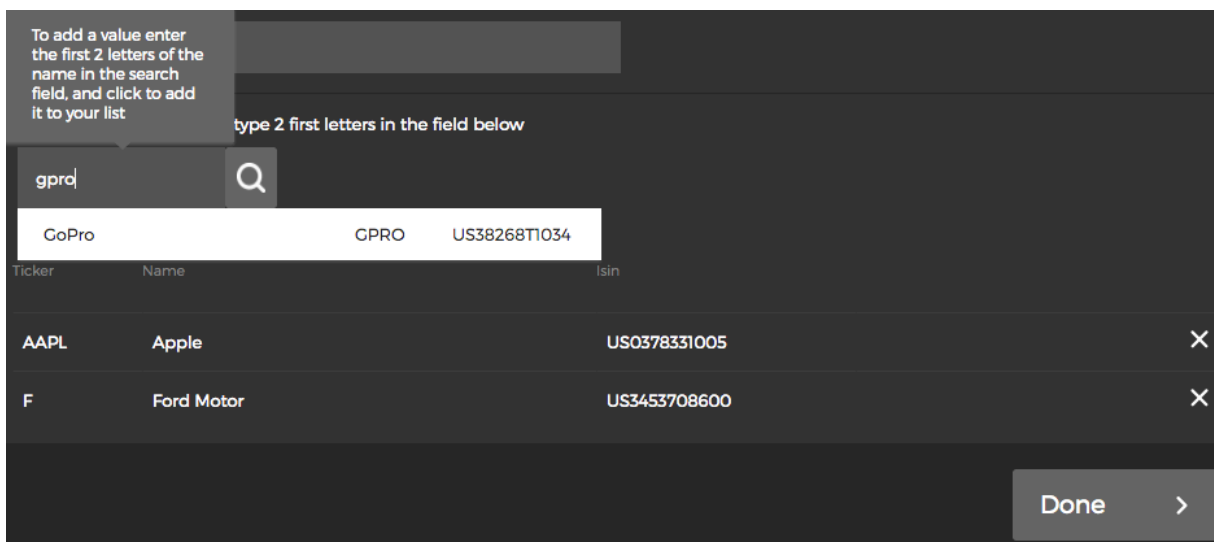

1. Click the “New Watchlist” button in the top right corner of your dashboard.

2. Name your watchlist.

3. Select the assets you would like and click done.

4. You'll find all saved watchlists saved next to the dashboard tab.
